I HAVE TO REPORT TO LORD METHEOS, QUICKLY.

STOP

SLIDE

UGH, WHAT A STENCH.

I DO ENJOY THE SMELL OF BLOOD-

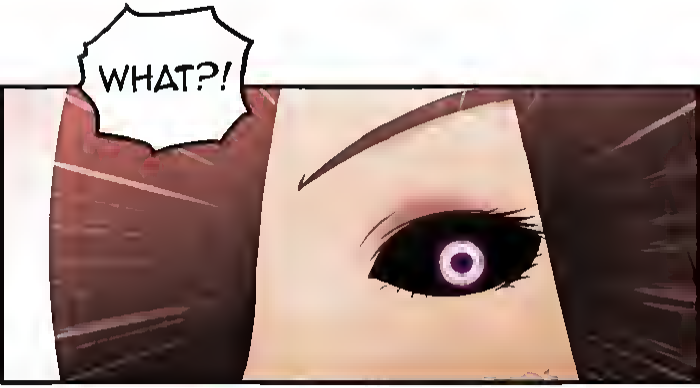
BUT THIS IS

QUITE NASTY.
JUST HOW MANY OF THESE PITS ARE THERE AROUND HERE...

DEADMASK.
DIDN'T I TELL YOU TO GET MORE CLONES FROM DOCTOR MAX?
WE DON'T HAVE ENOUGH MANPOWER WITH JUST THE FRONTIERES.

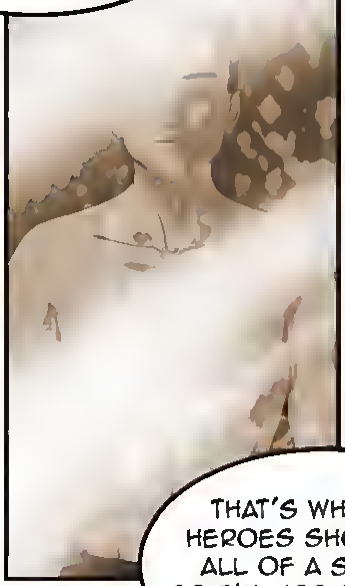
THAT IS, WELL... DOCTOR MAX DIDN'T MAKE CLONES AS HE WAS TOLD... INSTEAD, HE TRANSFORMED HIS OWN BODY...
THAT ASIDE, I BRING YOU MORE IMPORTANT NEWS.

THE HERO..
DARKSLUG
IS STILL ALIVE!



DARKSLUG DIDN'T DIE?

AND DOCTOR MAX
TRIED TO SYNTHESIZE
HIM INTO
HIS OWN BODY.



THAT'S WHEN THE HEROES SHOWED UP ALL OF A SUDDEN, SO I'M NOT SURE WHAT HAPPENED AFTER...

IS THAT SO? FINALLY, WE HAVE A LEAD ON THE WHEREABOUTS OF THE MISSING FIRST PRANA.

CLENCH
LORD METHEOS.
IT IS STILL TOO SOON
TO USE YOUR NEWLY
ACCUMULATED
POWER.
I WILL GO.
IF HE IS STILL

IN A COMA. I WILL MAKE SURE TO BRING THE BODY TO YOU.

NO. YOU MUST STAY CLOSE AND ACT AS THE CONTROL TOWER UNTIL MY POWERS ARE COMPLETE.

COME CLOSER, DEADMASK. I WILL BESTOW UPON YOU GREATER POWER.

THAT COULD SLOW DOWN THE RECOVERY...
GUESS IT CAN'T BE HELPED...
WELL, WHITEDRESSER AND COUNT WILL BE BACK

SOON, SO-
USING THE LAST BATCH OF SACRIFICES THEY'LL BE BRINGING

LORD METHOES WILL BE PERFECTLY COMPLETE.

I HAVE GIVEN YOU STRONG POWERS THAT YOU HAVE NEVER FELT BEFORE

SO GO AND BRING ME DARKSLUG'S BODY.
THAT WILL REVEAL THE WHEREABOUTS OF THE MISSING FIRST PRANA.

YES, LORD METHEOS.
I WILL MAKE
SURE TO BRING
HIM TO YOU ALIVE.
